

La' Garage and Gallery: New, Gently Used and Vintage

La' Garage and Gallery Features Unique Furniture, Home Decor, Gifts and More

Nestled in the center of downtown North St. Paul is La' Garage and Gallery, owned by North St. Paul residents Del and Carolyn Howard. For more than 14 years they have served their customers and the community through their work in the shop and with their estate clean-out service.

La' Garage is a blend of new, gently used and vintage, incorporating elements of your

favorite boutique, home store, kitchen, hardware, garden, and thrift shop all in one charming little package. You just never know what you're going to find.

Del and Carolyn enjoy working together and feel their children benefit from learning a strong work ethic. That desire to work together as a family was a motivator to start La' Garage & Gallery.

Both Del and Carolyn believe that North St. Paul is a great place to live, raise a family, and do business. "We love the small town feel in a bustling metro area," they said.

Del and Carolyn are big supporters of the community by sponsoring the History Cruze Car Show and other local projects. They volunteer with North St. Paul Green. Del is on the Parks & Recreation Commission, and a board member of the NSP Business Association.
